

name _____ # _____

Brainy Bunch Homework Week of February 16

1. Practice math facts.
2. Scientists and Mathematicians sort and classify the things they observe and study. Sort your Valentines by the attributes listed below and record how many you have of each.

1. Valentines from Girls _____ Valentines from Boys _____

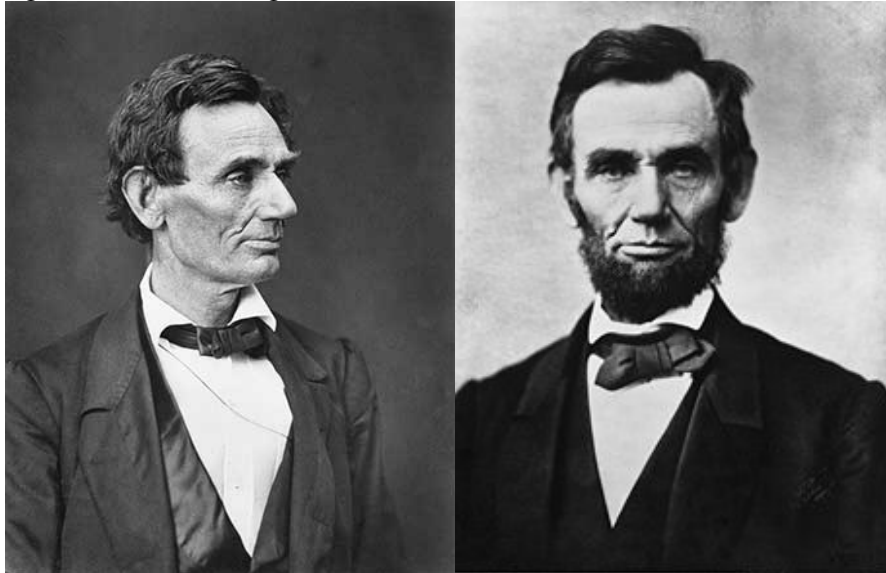

2. Homemade Valentines _____ Store Bought Valentines _____

3. Signed Valentines _____ Unsigned Valentines _____

Think of other attributes that describe your Valentine cards. Try to think of attributes that will help you sort your Valentines into more than two groups. Write the attributes and how many cards are in each group below.

name _____ # _____ date _____

Tell your family about *Mr. Lincoln's Whiskers* by Karen Winnick. Survey your family and friends - Was Abraham Lincoln more handsome with or without a beard? Record your results. Bonus: Make a graph to show the results of your survey.

| name | no beard | beard |
