

Moon Observation Homework name \_\_\_\_\_ # \_\_\_\_\_ date \_\_\_\_\_

Fill in the dates on the calendar beginning with Tuesday, January 5. If you are able to observe the moon, shade in the circle to record your observation. You can also use our website to find out what the moon should be each day if it is cloudy – or too late at night for you to observe. Due Feb. 1

Sun	Mon	Tue	Wed	Thu	Fri	Sat
